CATIA

3DEXPERIENCE Platform

Gateway to the 3DEXPERIENCE Platform

3D Modeling

CATIA Generative Shape Design Essentials

CATIA Generative Wireframe and Surface Essentials

CATIA Natural Shape Essentials

CATIA Part Design Essentials

Transition to the 3DEXPERIENCE Platform for Designers

Mechanical Systems

CATIA 3D Annotation Insight Essentials

CATIA 3D Compose Essentials

CATIA Assembly Design Essentials

CATIA Drafting Essentials

CATIA Mechanical Systems Design Essentials

CATIA Mechanical Systems Experience

Multi-Discipline Engineering

CATIA Bent Part Design Essentials

CATIA Sheet Metal Design Essentials

CATIA Weld Design Essentials

Styling

CATIA Imagine and Shape Essentials

Systems Modeling and Execution

CATIA Dymola Behavior Modeling Essentials

DELMIA

Industrial Engineering

DELMIA Manufacturing Equipment Design Essentials

DELMIA Milling Machining Essentials

DELMIA Multi-Axis Machining Essentials

DELMIA Prismatic Machining Advanced

DELMIA Prismatic Machining Fundamentals

Manufacturing Engineering

- DELMIA Manufactured Item Definition Essentials
- DELMIA Manufacturing Assembly Evaluation Essentials
- DELMIA Manufacturing Equipment Allocation Essentials
- DELMIA Manufacturing Process Planning Essentials
- DELMIA Manufacturing Work Instructions

SIMULIA

Design Simulation

- Product Design Simulation Essentials

Multiphysics Simulation

- Fluid Mechanics Simulation Essentials
- Structural Mechanics Simulation Essentials
